

OLD TESTAMENT & NEW TESTAMENT PLAN

It has been said that "A man who does not read his Bible is no better off than a man who does not own one." While there are many in remote parts of our world that do not have a copy of God's Word for themselves, we are honored to have an abundance. It is now our privilege to read it, study it, enjoy it, and share it! The heart of the Psalmist for God's Word should be our goal: "O how love I thy law! It is my meditation all the day" (Psalm 119:97)

In learning the heart and ways of God, it is important to dig into the whole Word of God. A great way of doing this is reading the Old and New Testaments simultaneously. This plan, which can be completed in one calendar year, does just that. Readings from both Testaments are included from the beginning and although each reading does not contain both Testaments, the two are read effectively and consistently.

Using a reading plan like this can serve some important purposes:

1. It sets a pace. There are times that we need to be prodded to keep ourselves motivated. Even the most seasoned runners need a goal and motivation to finish a race.
2. It introduces us to the whole counsel of God. God has treasures of His grace and love throughout the Bible and He loves to reveal those as we read.
3. It keeps us accountable to our commitment. Whether we like it or not, we need guidance to keep us going. A reading plan is our personal gauge to how we are progressing.

Let the journey together begin. We look forward to seeing all that God teaches us! Now let's go... Read. Apply. Share.
